

Environmental Policy

The Management and the Employees of **Grand Mediterraneo Resort & Spa** believe that administrating the environmental issues connecting to the operation of the Hotel are a developing factor both for the Company and the Local Society. For this reason, the Hotel established, implements, maintains and continually improves an Environmental Management System according to the International Standard **EN ISO 14001:2004**.

In this context the company **commits to**:

- Continually improve the implemented Environmental Management System
- Take all necessary actions in order to prevent Environmental pollution
- Comply with the applicable Legal and other requirements
- Comply with the customer, local authorities etc, requirements which has accepted and signed and concern its environmental aspects

The Environmental performance of **Grand Mediterraneo Resort & Spa** is based on the systematic efforts of Management and Employees and the creation of Environmentally aware customers and partners. It is assured through establishing and controlling the applicable environmental objectives, targets and programs.

THE PROTECTION OF THE ENVIRONMENT IS A CHOICE OF RESPONSIBILITY AND CONCERNS US ALL
